

The Student Millionaire Minute #2 of 10 – Why would ‘You’ want to be a Millionaire

Most people think that being a Millionaire is all about the money. Not true.

The real Reason for Being a Millionaire is to be **free** to spend your life doing the things that you love to do, the things that you are passionate about doing.

You come into this world with your special God-given talents and gifts that are unique just to you.

And being a Millionaire allows you to use those special talents and gifts to bless the lives of others and help make this world a better place.

Most self-made Millionaires find great joy in their work because they spend their life working on something that they are really passionate about. Think Facebook, Apple and Google.

What are you passionate about? What could you create that would not only bless your own life but also bless the lives of others and help make this world a better place?
