

## **The Student Millionaire Minute #5 of 10 – The Law of Attraction**

Did you ever finally get something that you had been thinking about for a really long time? If you did, then you know what the Law of Attraction is all about.

The Law of Attraction is about attracting to yourself the things you **Think** about the most.

Self-made Millionaires especially have discovered this Law for themselves and have used it to attract what they needed to achieve their goal.

Your thoughts are very powerful. And if you really want something, your thoughts set the wheels in motion to bring you what you need to accomplish your **Goal**, especially if becoming a Millionaire is one of them.

You just have to start focusing your thoughts on what you really want then watch what starts happening to you in your life to bring it to you.
