

The Student Millionaire Minute # 6 of 10 – Your Intuition

Whatever you want to accomplish in life, whatever your goals are, learning to rely a lot on your **Intuition** can be a great tool. Whatever direction you choose for yourself in life, you will need to make your **Intuition** your new best friend.

Like a compass, your **Intuition** keeps you firmly on track toward whatever **Goal** you have chosen for yourself.

And this is how people achieve their goals even when they don't know what steps to take next. Your **Intuition** will show you the way.

And if becoming a Millionaire someday is something you want to do, your **Intuition** will guide you to the people you need to meet, the places you have to go and all the things you have to do to get yourself there.

And the more you use your **Intuition**, the better you'll get at making it work for you.
