

The Student Millionaire Minute #7 of 10 – The Money Rules

It's important to understand that making **Money** is like a game. And like all games, the Money game has its own set of rules.

The #1 Rule in the **Money game** has been around for centuries: open up a savings account and save at least 10% of everything you earn or receive – and leave it alone!

Too many people spend all the money they have to buy as much stuff as they can get with the money they do have. Are you one of them?

Get into the savings habit early in life and you will be richly rewarded in the years to come. You'll be amazed at the difference just knowing that you have money in the bank can make in your life.

And this is just the beginning of getting rich and being a Millionaire. But you have to start somewhere, and saving 10% of all your money from now on is the place to start.
